From the Mayor's Desk

St. Augusta has been busy this summer. We are working to finish up the street project on Gaberdine, 238th, and 240th Street along with the trail. It's so nice to see residents already enjoying the new trail!

*We want to congratulate the St. Augusta Fire Department on their 20th Anniversary! We appreciate their willingness to volunteer and serve the city of St. Augusta!

*Leaves are falling which means farmers will be harvesting soon. Please give them space on the roads so everyone can remain safe.

*There has been an increase in ebike and scooter use in the area. Ebikes and scooters must follow standard bicycle traffic laws along with state specific laws. Make sure your child knows the law if riding electronic bikes or scooters.

*As always, if you see something, say something! If you have any questions or concerns, please contact city hall so we can address those concerns with the proper authorities.

Auto Utility Payment

We now have auto-payment availability for our water/sewer customers! Check out the website or call city hall for more info!
